Miss Pauline L. Badke

Dear Miss Badke:

This will certify that you were engaged as a civilian employee with the United States Army in the Southwest Pacific Area for the period from 13 July 1943 to 16 June 1945, in the capacities of Assistant Clerk and Typist.

In losing your services this command is not unmindful of the significant contribution which civilian employees have made in the accomplishment of the mission assigned to the United States Army Services of Supply. Please accept my personal appreciation for the service you have rendered in assisting our military personnel to accomplish the immense task of supplying the combat troops of the United States Army in the Southwest Pacific Area.

Sincerely yours,
